Report No. 325-00179

Tuesday July 9, 2013

Permit To Deliver Programs To Foreign Broadcast Stations

re: Actions Taken

The Commission, by its International Bureau, took the following actions pursuant to delegated authority. The effective dates of the actions are the dates specified.

INFORMATIVE

325-RWL-20130430-00001

BAY CITY TELEVISION, INC.

Granted on July 9, 2013, subject to conditions, application 325 (c) permit by Bay City Television, Inc., ("Bay City") to deliver programming via satellite to TV station XETV, Tijuana, B.C. Mexico, licensed to Radio y Television, S.A. de C.V. XETV operates in analog mode on channel 6 at 100kW maximum visual effective radiated power and in digital mode on channel 23 at 403kW maximum visual effective radiated power from Mount San Antonio, Tijuana.

This authorization is predicated on the use of a foreign station assignment, which must abide by the terms of the 1962 United States-Mexico VHF Television Agreement. Hence, this program authorization applies only to the specific foreign station facilities which are currently on file with the Commission as having been officially coordinated by the Secretaria de Comunicaciones y Transportes (SCT) in Mexico and subsequently approved by the Commission for operation. If the transmitter coordinates or technical operating parameters of the foreign station are altered subsequent to this authorization or are found to be different from those currently on file and approved by the Commission, this program authorization will be subject to immediate termination without right to hearing.
